Joan,

After review we would recommend approval with the following stipulations:

- Public Safety Dispatch (508-647-9500) to be notified when the roadway is going to be closed, and again when it is reopened. All roadways shall be opened no later than **8pm** (please have the petitioners adhere to this, as the last time the roadway was closed for this event, a site visit revealed the roadway was still closed much later.)
- Nothing be erected or placed in the roadway that cannot be easily removed in the event an emergency response is needed
- Residents in the affected area to be notified in writing prior to the event date
- Nothing be placed on, or around a fire hydrant that cannot be easily moved. Fire hydrants shall not be blocked.
- Circular Ave to be closed at Cottage Street, and again at South Main Street.

Additionally:

- Traffic cones and/or barricades may be checked out from Police Headquarters the morning of the event, and returned immediately following.

Reminder:

- All laws relative to alcoholic beverages including the possession/carrying of same remain in effect.

Respectfully,

Brian G. Lauzon
Deputy Police Chief
