We can make this date work but will need to know in the next week or so if it will be approved by the Select Board.

Hi Brian,

Erin is requesting that this filming at the police department be moved up one week. I have let her know that I cannot assure her that this date works for you (October 15th) given the short notice, and the fact that I now need new insurance documents, select board approval, etc.

Please let me know if this date is even possible for you to work with.

Thank you

Joan

Hello!

I just wanted to write you to request a date change for our filming this October. We had to move the shoot up a week to October 14th - 18th and will be planning to film at the station on October 15th. I was hoping to get approved for these new dates.

Best,  
Erin Cummins
