Joan,

After review we would recommend approval with the following stipulations:

- Public Safety Dispatch (508-647-9500) to be notified when the roadway is going to be closed, and again when it is re-opened. All roadways shall be opened no later than **8pm**.
- Nothing be erected or placed in the roadway that cannot be easily removed in the event an emergency response is needed
- Residents in the affected area to be notified in writing prior to the event date
- Nothing be placed on, or around a fire hydrant that cannot be easily moved. Fire hydrants shall not be blocked.
- Lois Street to be closed at Chestnut Street, and Arthur Street to be closed at Beacon Street as Arthur Street is a continuation of Lois Street.

Additionally:

- Traffic cones and/or barricades may be checked out from Police Headquarters the morning of the event, and returned immediately following.

Reminder:

- All laws relative to alcoholic beverages including the possession/carrying of the same remain in effect.

Respectfully,

Brian G. Lauzon
Deputy Police Chief

Hi Joan,
Yes - we have usually closed Arthur in the past as well! I probably should have mentioned that part in my message. But it is all perfectly reasonable.

Thank you again!

Good morning Becky,

Please see Deputy Chief Lauzon's email below about. Does his response make sense to you? I don't live in Natick, so I'm not sure of the streets around there, but let me know what you think and I will respond to him.

Joan,

In order to do this we will need to close Arthur to through traffic or people will be turning around in residents driveways.

Date: Saturday, September 24 4PM - 8PM The party will be from 5PM-7:30PM. Our rain date is Sunday, September 25 --same time frame.

Who: All residents in the neighborhood immediately surrounding Lois St. We are limiting flier distribution to the homes to the following entire streets: Lois St, Arthur St, Beacon St and Chestnut St, but ALL will be welcomed.
