FROM: Bryan R. Le Blanc, Procurement Officer

DATE: September 30, 2022

SUBJECT: CONTRACT AWARD
Tree Pruning and Cleanup – Three (3)-year term

On September 16, 2022, sealed bids were received in response to the Town of Natick's IFB for tree replacement and cleanup in Natick for a three (3)-year term, commencing on January 18, 2023. Bids were received from three (3) bidders. (See attached.)

The lowest bid for daily work (M-F, 9-5, two (2)- person crew), in the amount of two hundred dollars and zero cents (\$200.00) per hour for year 1, two hundred dollars and zero cents (\$200.00) per hour for year 2, and two hundred dollars and zero cents (\$200.00) per hour for year 3 (the foregoing of which representing a two hundred dollars and zero cents (\$200.00) per hour contract term average rate), was received from North-Eastern Tree Service, Inc. ("North-Eastern Tree"). Per Mr. Goodhind, we assume that eight hundred (800) hours will be used under the contract.

(You will note, in the bid, that North-Eastern Tree did not divide its number for the average hourly rate for three years by three; thus, it submitted a figure of \$600.00 in the average line. As an aside, the second lowest bidder, Northern Tree, did the same thing. This is an obvious clerical error, as such a number represented the total of years 1, 2, and 3, and as it was well above the rate that could be submitted. We asked for the average, and not the total. We have verified with Assistant Attorney General Deborah Anderson, Esq. (counsel for the Bid Unit that oversees the Public Works Construction Laws) that we can correct this obvious clerical error. Fortunately, we are able to do so, as the intent of North-Eastern Tree is clear. We have also verified the numbers with North-Eastern Tree.)

After reviewing references and background, it has been determined that North-Eastern Tree is a responsible and eligible bidder. This seems to be a reasonable rate, given comparable bids and industry rates noted.

We recommend that the Natick Select Board award the contract to North-Eastern Tree for the amount of its bid for a three (3)-year term, commencing on January 18, 2023.

Please advise if you have any questions or require additional information.

Mayer Tree, Essex, MA	x	x	x	x	x	x	x	x	x	Not with bid.	Ave. \$359/hr.

The failure to include a non-debarment certificate (a local requirement only), will be treated as a clerical error - a minor deviation, which may be remedied if produced upon demand.

The first and second lowest bidders totaled their numbers for the average, but forgot to divide by three (3) - the number of contract years. This was an obvious clerical error that the Town was allowed to correct. We have verified this with A. M. G. Deborah Anderson, Esq., who oversees the Bid Unit (which enforces Public Bid Laws).

Good morning, Debbie.

We just opened our tree pruning bids.

Our form included a year one rate, a year two rate, and a year 3 rate.

We also then asked for an average rate of the three years, which was to be the basis of award.

The low and the second lowest bidder ended up totalling the numbers, but did not divide by three for the average rate. As a result, their average hourly rate was three (3) times the rate.

I would assume that we would have the right to treat this as an obvious clerical error in both cases? Would you agree?

Best,

Bryan Le Blanc

Prevailing Wage Rates

Massachusetts General Laws, Chapter 149, Sections 26 to 27H**

MICHAEL FLANAGAN
Director

Awarding Authority: Town of Natick, Massachusetts
Contract Number:
Description of Work: IFB: On-Call Tree Pruning and Cleanup

City/Town: NATICK

Job Location: Various locations, Natick, MA 01760

Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- **The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor.** For multi-year CM AT RISK projects, the awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. The annual update requirement is not applicable to 27F "rental of equipment" contracts. **The updated wage schedule must be provided to all contractors, including general and sub-contractors, working on the construction project.**
- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the "Wage Request Number" on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or a sub-contractor.
- Apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentices must keep their apprentice identification card on their persons during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **Any apprentice not registered with DAS regardless of whether they are registered with another federal, state, local, or private agency must be paid the journeyworker's rate.**
- Every contractor or subcontractor working on the construction project must submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee's name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. For a sample payroll reporting form go to <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Contractors must obtain the wage schedules from awarding authorities. Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may file a complaint with the Fair Labor Division of the office of the Attorney General at (617) 727-3465.
