Interests & Experiences

Why are you interested in serving on a board or commission? Are there any changes you would like to see to these boards, committees and/or commissions?

I had the opportunity to serve on the Status of Women Advisory Committee in Worcester and believe it's important to contribute to the community that you live in. I'm passionate about entrepreneurship and see Natick as a town that's rife with opportunities for small business owners. It's an accessible town with close proximity to cities Worcester and Boston. As career project manager, I have the skills to take an idea from start to finish. These are skills that I believe I will greatly benefit the Economic Development Board. I enjoy working within a group setting but also excel in an environment where I am working independently.

Are you a graduate of the Natick Community Services Citizen's Leadership Academy?
