Re: Cable Advisory Board

---

The Cable Advisory Board has had trouble obtaining a quorum at their scheduled meetings. In fact they have been unable to have a meeting for several months. The chair, Hank Szretter, and I discussed appointing the members of the Information Systems Advisory Board (ISAB) to the Cable Advisory Board. The members have very good technical knowledge that can cross over between the two Boards.

This proposal was discussed at the ISAB on December 20<sup>th</sup>. The members agreed to serve pending a Board of Selectmen decision. Members of the ISAB include;

Hank Szretter, Chair  
Lawrence Drolet  
Todd Gillenwater  
Paul Gorman

James Hannon  
Aaron Miri  
Matt Steinberg

Members of the Cable Advisory Board include;

Hank Szretter  
Paul Gorman  
Arnold G. Pinsley  
Alan Segel

I would recommend that the Board appoint the members of the ISAB to be members of the Cable Advisory Board.
