Dear Selectboard,

I am writing in the hopes you will consider me a candidate as a replacement for Mrs. Kimberly Condon who recently resigned from the Natick Housing Authority Board.

As a two-year resident at Cedar Gardens, I understand the hopes and concerns of Housing Authority tenants. In addition, while attending numerous Natick Housing Authority board meetings as well as Director, Randy Waters' Tenant/Director meetings, I have learned to appreciate the challenges faced by those devoted individuals working towards the best interests of all concerned.

I believe I will be an effective, conscientious, and thoughtful addition to the existing board.

My background as a Real Estate Broker, entrepreneur, home remodeler, and professional writer offers varied skills that will serve the board well.

I grew up in Natick, came back to care for my aging mother and now am happy to call Natick my permanent home. I'm proud of my hometown and welcome the opportunity to give back in a positive and meaningful way.

Please find my resume and application attached. Thank you for your consideration.

Sincerely,

Deborah J. Doucette
