Wed, Jan 25, 2023 at 3:07 PM

To: Joan McNamara <jmcnamara@natickma.org>

Cc: James Errickson <jerrickson@natickma.org>, pjoseph@natickma.org

The public is welcome at the **Natick Town Seal Design Open House** on Sunday, February 5, 2023 from 1:30 to 3:30 pm at the Morse Institute Library lower level. The backup date in case of severe weather is February 12, 1:30-3:30 at Kennedy Middle School.

Please join us any time during the open house to view the three designs being considered for Natick's new town seal and give your feedback. Our designer and committee members will be on hand to answer questions, discuss the images, and take your comments.

Designs can be viewed online at [www.natickseal.org](http://www.natickseal.org) and in person at the open house; if you prefer to offer feedback online, you may do so through a survey at [www.natickseal.org](http://www.natickseal.org).

Thank you, and I will be available to make an announcement at the Board meeting on January 25.

Best,

Mia
