Donna,

After review, we would recommend that the Select Board, acting as the Licensing Authority for the Town of Natick, approve this application for Livery Licenses for two vehicles and three operators for the Kinder Group LLC, located at [5 Michigan Drive](#) in Natick. If said request is granted by the Board we would ask that the applicant present for examination the 2023 Chevrolet Suburban bearing Massachusetts registration LVA4153 as that is a new vehicle to this fleet and we have not inspected it previously. This inspection can be scheduled directly through me.

Respectful,

Deputy Chief Brian G. Lauzon
