

**Town of Natick
Job Description**

Position Title:	Executive Director of Public Works & Facilities	Grade Level:	6
Department	Public Works/Facilities	FLSA Status	Exempt
Reports to:	Town Administrator		

Statement of Duties: The Executive Director of Public Works & Facilities Management develops and oversees programs to ensure proper stewardship of all public infrastructure. Strategic oversight of Public Works and Facilities departments to promote effective and efficient management. Develop cost effective opportunities to leverage department assets.

Supervision Required: Works under the day-to-day supervision of the Town Administrator.

Supervisory Responsibility: Responsible for supervising the Public Works and Facilities Directors as well as supervisors and administrative personnel.

Accountability: This position is highly accountable and incorrect actions or misjudgment would typically result in monetary loss, missed deadlines, potential injury, as well as legal repercussions, and adverse public relations.

Judgment: Individual judgment and the application of professional knowledge and experience are required in selecting the appropriate practices, procedures, regulations, or guidelines to apply in each case.

Complexity: Work consists of a variety of duties that generally follow standardized practices, procedures, regulations, or guidelines. The sequence of work and/or the procedures followed vary according to the nature of the transaction and/or the information involved, or sought, in a particular situation.

Confidentiality: Individual judgment and the application of professional knowledge and experience are required in selecting the appropriate practices, procedures, regulations, or guidelines to apply in each case.

Work Environment: The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Town of Natick Job Description

The noise level in the work environment is usually loud in field settings, and moderately quiet in an office setting.

When outdoors at the job site, the job will involve working around heavy machinery (loaders, backhoes) and noisy equipment. The employee may be subject to inclement weather situations including high heat, extreme cold, heavy winds, and rains and long hours. The employee may be subject to fumes and odors.

Nature and Purpose of Contacts: Position interacts with coworkers, public and external contacts. More often ordinary courtesy, tact, and diplomacy may be required to resolve complaints or uncooperative individuals.

Occupational Risks: Duties generally do not present occupational risk. However, if an employee fails to properly follow safety precautions and procedures, it could result in a minor injury.

Essential Functions:

The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

- Analyzes operations to ensure that Facilities and Public Works Departmental resources are maximized, sustainable and meeting established Town goals.
- Carries out policies of the Town as directed by the Town Administrator.
- Ensures proper management of Town infrastructure and building projects
- Develops and maintains a multi-year capital improvement plan and maintenance program for all town infrastructure.
- Assumes responsibility for the comprehensive planning, scheduling and monitoring of maintenance and repair requirements of the Town's assets.
- Ensures that standards consistent with all applicable laws are maintained at a minimum; establishes compliance with local, state and federal environmental compliance regulations.
- Working with the Town's Procurement Officer, determines and establishes detailed bid and quote specifications pertaining to purchase of supplies, materials, equipment, and contract work.
