**Subject:** Adirondack Chairs

---

I am writing on Behalf of the Natick Recreation and Parks Commission working in conjunction with Natick Center Cultural District on an initiative for the summer of 2023.

Athena Pandolf, Executive Director to the Natick Center Cultural District, has secured a handful of Adirondack Chairs that will be painted by local artists and displayed on the Town Common near the Gazebo for the summer. The Commission is in full support of this project as it will be a great addition to the common for the summer, as well as support local artists.

I have updated LFNR to make them aware as well. Please contact me at the Recreation and Parks Department if you have any questions or concerns.
