Select Board
Natick Town Hall, 2nd floor
13 East Central Street
Natick, MA 01760

Dear Members of the Natick Select Board,

I am writing regarding my re-appointment as VSO for the town of Natick coming up on March 28, 2023. Having held my position as Director of Veterans' Services for the Town of Natick since March 2010 my commitment to our veterans and families continues to be most meaningful and remains a high priority to me.

As you may well know, my contributions to the community include 60+ Square dedications and I remain the community wide, VA Claim awards leader. I look forward to continuing this important work and supporting our veterans as VSO for Natick, MA.

Thank you for your consideration and continued support as I move forward in the re-appointment process.

All my best,

Paul E. Carew
