Joan,

I do not see an issue with this request and would recommend that it be approved by the Select Board. Obviously the BOH should be consulted, along with the NFD if they are using propane or have a generator, and I would just run it by the Building Commissioner so we cover all the bases.

Respectfully,

DC Lauzon

Hi Brian,

Here is Athena's request for a food truck and a parking space somewhere on Park St. next to the Common. Kindly let me know what you think.

Hi Joan,

Yes, it would be a stationary food truck, and I'd like a parking space on Park St. if we can do that.

Event Details:

Juneteenth on **June 19 from 1:00 - 4:00 pm** on the Natick common.

Location of the food truck: A parking space adjacent to the common on Park St.

The food truck would be Sentie's Kitchen, and I will reach out to them so they can contact BOH once it's okayed by NPD.

Thank you and please let me know if you have any questions.

Athena

Hi Athena,

So, you're having a food truck on town property that is going to be a stationary truck?

I know the Board of Health has to be involved as you said.

Let me know the details of where it is going to be sitting. If it is sitting on Town property, yes, it goes before the Board and before the Board, it goes to a prior recommendation from the PD. I just saw Brian Lauzon and he let me know that the Fire Dept. has to be notified as well, just in case the food truck carries propane.

So, you can do a quick email request to me requesting the date, and times and location and I would add that to the SB agenda. I would recommend doing that right away as my deadline is tomorrow morning for the 31st agenda.

Hi Joan,

I hope you're doing well.

I have a food truck that would like to attend the Juneteenth festival. Do we need Select Board approval for that? I will contact BOH as well to check in with them also.

Thank you,  
Athena
