

Article 13

Apply for Admission to Massachusetts Water Resources Authority  
(Select Board)

MOTION: Move to authorize the Select Board to apply for admission to the Massachusetts Water Resources Authority Water System to receive from the Massachusetts Water Resources Authority a supplemental public water supply for the Town of Natick in accordance with Chapter 372 of the Acts of 1984 of the Commonwealth and to further authorize the Select Board, acting as Water Commissioners, to take such action necessary or required to apply for admission to and receive a supplemental public water supply for the Town of Natick from the Massachusetts Water Resources Authority, including, without limitation, filing legislation, payments of applicable fees and charges, and entering into an agreement with the Massachusetts Water Resources Authority as may be required or necessary to receive a supply of water at prevailing rates charged by the Massachusetts Water Resources Authority to communities in its water supply system.
