**Interests & Experiences**

**Why are you interested in serving on a board or commission? Are there any changes you would like to see to these boards, committees and/or commissions?**

---

I am a PhD economist and my teaching and research is in the area of environmental economics. This board is an excellent fit for my skills and expertise. I hope to bring my knowledge and training in causal inference to help community members understand and identify the costs and benefits associated with local policy decisions. Specifically, utilizing data and research to improve the day-to-day life of Natick citizens, even those that don't have the time available to make their voices heard.

**Are you a graduate of the Natick Community Services Citizen's Leadership Academy?**

---

Yes  No

**Please list any skills or specialized knowledge you can bring to these boards, committees and/or commissions.**

---

I am a PhD economist and I teach economics at the College of the Holy Cross. My work is focused on teaching and conducting research to make complex economic problems approachable for students, scholars, and policy makers so that they can make effective and efficient decisions.

**Please list any professional affiliations.**
