I am Carol Virshbo and I live at [10 Pumpkin Pine Rd](#) and I am also a member of Christ Lutheran Church in Natick. I attended the last Select Board meeting via zoom and I want to thank you for the support the board showed for the Welcoming Community Policy.

This is important to me as our church has been a welcoming community to the immigrant and I also volunteer at the Natick Service Council and Family Promise Metrowest who all help those in need. I see first hand how hard the immigrants work in our community, who pay taxes and support our economy. Those who aren't yet working are just waiting for their work authorizations to be approved.

Unless we are of Native American decent, all of us had family members who were immigrants at some point.

Thanks again for your support of this proposed policy. It is greatly appreciated.
