Proclamation 3/29/2019 Cover Memo

Arbor Day Proclamation

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal.

Now, Therefore, we, the Board of Selectmen of the Town of Natick, do hereby proclaim, Friday, April 26th 2019 as Arbor Day in the Town of Natick, and we urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

Further, We urge all citizens to plant trees to gladden the heart and promote the well being of this and future generations.

Dated, this 1st day of April, two-thousand and nineteen.

Natick Neighbors Compost Announcement 3/28/2019 Cover Memo

NATICK NEIGHBORS COMPOST

Dear Board of Selectmen,

I would like to introduce you to Natick Neighbors Compost, a group of Natick residents who participated in the curbside composting pilot. We came together to see if we could continue the program once the pilot ended and the Town was no longer able to cover the costs. We are very interested in sustainability, and we see curbside composting as positive step to achieve this goal. We contracted with Black Earth Compost to provide weekly compost pick-up curbside on the same day as regular trash pick-up for the Town. The cost is \$99.99/year.

We currently have over 550 Natick residents participating in this program! Our new goal is to reach 1,000 by Natick's Earth Day!

Since an estimated 41% of all trash is compostable, we let our Natick neighbors know that participation in curbside composting will significantly reduce the number of pay-as-you-throw bags they will need to buy, as well as reducing the amount of trash that is incinerated, both important goals. Curbside does offer distinct advantages over backyard composting too, as bones and dairy products can be composted curbside, as well as used pizza boxes, for example! None of these can be added to a backyard compost pile!

We are looking for local elected officials to join and to lead by example. We need you to speak up to encourage all Natick residents to participate in curbside or backyard composting! If you are already participating, thank you! If you haven't yet joined us, please see "how to" in the paragraph below.

How to Sign Up: It really is easy! Go to: https://blackearthcompost.com/residential-pick-up-natick-ma/

Thank you for your leadership and for all you do for the Town of Natick. Once again, please speak up for curbside composting in Natick--to encourage all our neighbors to compost, whether in their own backyards or through curbside composting/Black Earth Compost.

AMENDED AND RESTATED ARTICLES OF INCORPORATION OF NORDSTROM, INC.

Pursuant to the provisions of the Washington Business Corporation Act and RCW 23B.10.020 and RCW 23B.10.070, the following Amended and Restated Articles of Incorporation are hereby submitted for filing.

ARTICLE I

The name of the corporation is Nordstrom, Inc.

ARTICLE II

The period of duration of the corporation is perpetual.

SECRETARY OF STATE

MAY 2 5 2005

STATE OF WASHINGTO:

ARTICLE III

The purpose of the corporation is to engage in any and all business, the conduct of which is not forbidden to corporations by the Constitution, statutes or common law of the state of Washington.

ARTICLE IV

- 1. The aggregate number of shares which the Corporation shall have authority to issue is 1,000,000,000 shares of Common Stock, all of which are without par value.
- 2. The shareholders of the corporation shall not have preemptive rights to acquire additional shares or securities convertible into shares offered for sale or otherwise issued by the corporation.
- 3. No shareholder will be permitted to cumulate his votes at any election of directors.

ARTICLE V

The number of directors constituting the Board of Directors shall be such number, not less than three, as may be specified from time to time in the Bylaws.

ARTICLE VI

The corporation shall have the right to purchase its own shares to the extent of unreserved and unrestricted surplus available therefor, whether capital surplus or earned surplus. The Board of Directors may, from time to time, distribute to the shareholders a portion of the assets of this corporation, in cash or property, out of the capital surplus of this corporation.

ARTICLE VII

The power to adopt, alter, amend or repeal the Bylaws shall be vested in the Board of Directors.

ARTICLE VIII

This corporation reserves the right to amend, change or repeal any provision of these Amended and Restated Articles of Incorporation in the manner now or hereafter prescribed by law, and all rights conferred upon shareholders herein are subject to this reserved power.

ARTICLE IX

Any personal liability of a director to the corporation or its shareholders for monetary damages for conduct as a director is eliminated, except for any liability for any acts or omissions that involve intentional misconduct by a director or a knowing violation of law by a director, for conduct violating RCW 23B.08.310, for any transaction from which the director will personally receive a benefit in money, property, or services to which the director is not legally entitled, or for any act or omission occurring prior to the date when this Article becomes effective. If hereafter the Washington Business Corporation Act is amended to change the corporation's power to eliminate or limit the liability of a director to the corporation, then, upon the effective date of the amendment and without further act:

if the amendment permits further elimination or limitation of liability, the liability of a director shall be additionally eliminated and limited to such further extent, or

if the amendment changes to power to eliminate the liability of a director in any other respect, the liability of a director shall be eliminated and limited with respect to acts or omissions occurring after the effective date of the amendment to the fullest extent permitted by the Washington Business Corporation Act as so amended.

No amendment or repeal of these Amended and Restated Articles of Incorporation shall adversely affect any right or any elimination or limitation of liability of a director existing immediately prior to the amendment or repeal.

IN WITNESS WHEREOF, the undersigned submits these Amended and Restated Articles of Incorporation as of May <u>24</u>, 2005.

COMMUNITY SERVICES ADVISORY COMMITTEE

BOARD DETAILS

Section 1. Establishment and Role of the Community Services Advisory Committee

The Community Services Advisory Committee, hereinafter referred to as the "Committee," shall serve as advisor to the Director of Community Services and the Board of Selectmen on matters concerning improvement of the quality of life for all Natick residents. In conjunction with the Director of Community Services, the committee will:

- Assist in the on-going identification and consideration of service gaps
- Evaluate current programming and assist in the development of strategic priorities, assembling ad-hoc task forces as deemed necessary
- Make recommendations on programs and/or service expansion based upon current knowledge, data and "best practices"
- Work cooperatively with all associated boards and committees affiliated with the department through regular consultation
- Establish and evaluate facility access policies, including matters of sponsorship
- · Advise upon matters of fees for services
- Report to the Board of Selectmen on the status of recommendations of the Committee
- Submit a summary of their work for the preceding year for inclusion in the Town's Annual Report

The Committee will work collaboratively with the Council on Aging and the Recreation and Parks Commission through regular communication and consultation and will, together, convene annual discussions regarding priorities of the Community Services Department.

Section 2. Composition and Terms of Office

The Committee shall be comprised of seven (7) voting members appointed by the Board of Selectmen. Committee members shall be appointed to three (3) year terms, except that initial appointments shall be as follows: three (3) members shall be appointed for three (3) years, two (2) members shall be appointed for two (2) years and two (2) shall be appointed for one (1) year.

Terms shall coincide with the fiscal year. Committee members shall not serve more than a total of six (6) years.

In making appointments to the Community Services Advisory Committee, the Board of Selectmen shall seek and give preference to candidates with experience in (1) the promulgation of policy (2) citizen engagement (3) consensus-building and (4) collaboration and, further, the Board shall endeavor to appoint a Committee which, as a whole, represents a diverse cross-section of the Natick community.

The Committee shall meet no less than six (6) times per year, and more frequently as warranted. At the first meeting after the start of each new fiscal year the Committee shall conduct an organizational meeting to elect from its members a Chair, Vice-Chair and Secretary.

Michael R Frechette Page 1 of 2

Why are you interested in serving on a board or commission? Are there any changes you would like to see to these boards, committees and/or commissions?

As a lifelong Natick resident, I have developed a deep appreciation for the unique, long history of this town, its architectural landmarks great and small, and the scores of special places that make up its vivid and dynamic cultural fabric. I would find it a great honor to serve on a body that works to protect, preserve, and promote Natick's rich history. I would not propose any changes to this commission or any other board, committee or commission at this time.

Are you a graduate of the Natick Community Services Citizen's Leadership Academy?

○ Yes ○ No

Please list any skills or specialized knowledge you can bring to these boards, committees and/or commissions.

My education and experience as a registered architect has given me a breadth of knowledge on topics ranging from architectural history, urbanism, and construction technology, as well as a skill set that includes architectural design, construction detailing, and construction administration.

Please list any professional affiliations.

Member, American Institute of Architects; Member, Boston Society of Architects

ARTICLE 20 Home Rule Petition: Means Tested Senior Tax Exemption (Board of Selectmen)

Move to petition the General Court to enact legislation in substantially the following form, provided that the General Court may reasonably vary the form and substance of the requested legislation within the scope of the general public objectives of this petition. "SECTION 1. With respect to each qualifying parcel of real property classified as class one, residential in the town of Natick there shall be an exemption from the property tax in an amount to be set annually by the board of selectmen as provided in section 3. The exemption shall be applied to the domicile of the taxpayer only. For the purposes of this act, "parcel" shall be a unit of real property as defined by the board of assessors under the deed for the property and shall include a condominium unit. The exemption provided for herein shall be in addition to any and all other exemptions allowed by the General Laws. SECTION 2. The board of assessors of the town of Natick may deny an application for exemption if the board finds that the applicant has excessive assets that place the applicant outside of the intended recipients of the senior exemption established pursuant to the act. Real property shall qualify for the exemption under section 1 if all of the following criteria are met: a) The qualifying real property is owned and occupied by a person who qualified and received the circuit breaker income tax credit the previous year under section 6(k) of chapter 62 of the General Laws; b) The qualifying real property is owned by a single applicant age 65 or older at the close of the previous year or jointly by persons either of whom is age 65 or above at the close of the previous year and if the joint applicant is 60 years of age or older; c) The qualifying real property is owned and occupied by the applicant or joint applicants as their domicile; d) The applicant or at least 1 of the joint applicants has been domiciled and owned a home in the town of Natick for at least the 10 consecutive years preceding the filing of an

application for the exemption; e) The maximum prior year assessed value of the domicile is no greater than the prior year's maximum assessed value for qualification for the circuit breaker income tax credit under said section 6(k) as adjusted annually by the department of revenue; and f) The board of assessors has approved the application. SECTION 3. The board of selectmen shall annually set the exemption amount provided for in section 1, provided that the amount of the exemption shall be up to a 100% match, and no less than a 50% match, of the amount of the circuit breaker income tax credit under section 6(k) of chapter 62 of the General Laws for which the applicant received in the previous year. The total amount exempted by this act shall be allocated proportionally within the tax levy on all residential taxpayers. SECTION 4. A person who seeks to qualify for the exemption under section 1 shall, before the deadline established by the board of assessors, file an application, on a form to be adopted by the board of assessors, with the supporting documentation of the filed income tax return of the applicant showing the circuit breaker tax credit. The application shall be filed each year for which the applicant seeks the exemption. SECTION 5. No exemption shall be granted under this act until the department of revenue certifies a residential tax rate for the applicable tax year where the total exemption amount is raised by a burden shift within the residential tax levy. SECTION 6. The exemption provided in this act shall expire after 3 years of implementation, which shall begin in fiscal year 2020; provided, however, that the town of Natick may reauthorize the exemption for additional 3-year intervals by a vote of the legislative body of the town. SECTION 7. This act shall take effect upon its passage." Or otherwise act thereon.

ARTICLE 21 Amend By-Law Article 22: Town Counsel (Board of Selectmen)

To see if the Town will vote to amend Article 22 of the Town of Natick By-Laws as follows:

- 1. Section 2: Relationship

ARTICLE 22

Establish a Study Committee Regarding the Services of Town Counsel (Paul Griesmer et. al.)

To see what action(s) the Town will take to establish a study committee appointed by the Moderator to study, report, advise on and develop possible changes to Article 22 Town Counsel and Article 44 Conflicts Between Town Agencies and Article 10 Board of Selectmen Section 3 Litigation Authority of the Town ByLaws including but not limited to the following:

- 1) whether the good faith requirement for the services of Town Counsel should apply to the Selectmen and Town Administrator as such requirement applies to all others.
- 2) whether the requirements that any requests for services of Town Counsel must pertain to the job of the Town agency requesting such services and be of sufficient legal importance should likewise apply to the Board of Selectmen and Town Administrator
- 3) whether it is advisable to have Town Counsel be an employee under the direction of the Board of Selectmen or Town Administrator and whether such employee might be subject undue influence in the performance of their job on any matter including but not limited to open meeting laws and executive session matters

- 4) what additional annual and long-term costs in terms of benefits, pension, OPEB, payroll tax matching would be associated with making town counsel an employee
- 5) whether the needs of all town agencies would be both adequately and appropriately served by making Town Counsel an in-house employee selected solely by the Board of Selectmen
- 6) whether the Town needs to retain a full service law firm/s which can provide resources and expertise on a wide range of legal matters including procurement, labor law, Federal and State taxation, withholding and employee classification, real estate acquisitions, dispositions and leases, Massachusetts municipal finance laws and regulations, allowed powers of Massachusetts cities and Towns under MGL Chapters 39, 40, 41, 42 and 43, alcohol and marijuana licensing, zoning (including permitting, variances, etc.), eminent domain, elections and voting, public records retention and requests, open meeting law, historic districts, conservation, water quality and environmental laws, property taxation and exemptions, local options statutes, affordable housing laws and regulations, health and restaurant regulations, etc. and whether such capabilities can be found in any one individual
- 6) whether the various roles of Town Counsel should be divided such that any in-house employee would be limited to routine and recurring contracting matters
- 7) whether the language allowing certain specific Town agencies to request the advice of legal counsel should be expanded to include the ability to receive such advice and associated legal services without prior approval of the Board of Selectmen or Town Administrator and whether any Town agencies eligible to request the services of Town counsel in performance of their job have been frustrated, hindered, delayed or prevented in receiving such services and advice
- 8) whether the selection process and appointment power for Town Counsel should include any other elected town agency/ies
- 9) whether Town agencies that have enforcement power in statute should be allowed direct authority for legal services pertaining to their performance roles and whether the Board of Selectmen should have 100% exclusive control over all litigation matters as provided in Article 10 Section 3
- 10) whether the language in Article 44 prevents appropriate or necessary actions from being taken
- 11) to provide for the number, composition, term and resources for such committee and/or
- 12) to take any action(s) necessary to implement the foregoing purposes of this article;

Or otherwise act thereon.

ARTICLE 23 Add By-Law Article 72D: Short Term Rentals (Michael Linehan et. al.)

To see if the Town will vote to amend the Town of Natick By-Laws by inserting a new Article **72D** entitled "Short-term Rentals" to preserve the peace and good order of the Town and ensure all residents may enjoy their property and dwelling free from any detrimental effects resulting from short-term rentals as defined in M.G.L Chapter 337 of the Acts of 2018, and any amendments thereto; said Article **72D** shall include, but not be limited to, whether, where, how often, for how long and under what conditions a residential property or part thereof may be offered as a short-term rental and/or how violations of said Article **72D** shall be treated, including any fine;

or otherwise act thereon.

ARTICLE 24 Amend Historic Preservation Zoning By-Law (Planning Board)

"To see if the Town will vote amend the Town of Natick Zoning Bylaws, Historic Preservation By Law (Section III-J) to establish regulations promoting the preservation of smaller historic estates in residential single family zoning districts, including, but not limited to the following:

- 1) Create and/or specify the special permit and/or site plan review requirements and/or process;
- 2) Specify the applicability of the provisions of the zoning bylaw;
- 3) Specify the density and/or maximum number of units allowed;
- 4) Specify the amount (if any) of "new" construction to be permitted as part of any project, and/or the design and/or materials to be used as part of the project;
- 5) Specify the affordable housing requirements;
- 6) Specify any and/or all dimensional requirements, including but not limited to minimum and/or maximum lot area requirements, minimum and/or maximum lot area per dwelling unit requirements, Floor Area Ratios, setbacks for all potential uses, buildings, or structures on site, sky exposure plane provisions, and/or other provisions;
- 7) Specify the required peer review and/or reviews by other boards/committees in Town, including but not limited to the Natick Historical Commission and/or Design Review Board, as part of the permitting process;
- 8) Specify the relationship with other provisions within the zoning bylaw, including but not limited to underlying or overlay zoning districts and/or cluster zoning provisions; and/or
- 9) Specify any other factors or requirements that may affect the preservation of historic properties while protecting abutters and the neighborhood;

or otherwise act thereon."

ARTICLE 26 Amend Definition of "Dog Kennel" as Used in Zoning Bylaws (Saul Beaumont et. al.)

"To see if the town will vote to amend the definition of "Dog Kennel" in the Zoning Bylaws as follows:

To consider changing (1) the definition of Dog Kennel in the Zoning Bylaw Section I (Article I), Section 200 (DEFINITIONS), and (2) changing Zoning Bylaw Section III-A-2 (USE REGULATIONS TABLE) as follows:

1. Zoning Bylaw Section I, Article 1, Section 200 (DEFINITIONS)

1.1 Delete the following definition:

Dog Kennel: One pack or collection of dogs on a single premises, whether maintained for breeding, boarding, sale, training, hunting or other purposes and including any shop where dogs are on sale, and also including every pack or collection of more than three dogs three months old, or over, owned or kept by a person on a single premises irrespective of the purpose for which they are maintained.

1.2 Add the following two definitions from MGL, Part I, Title XX, Chapter 140, Section 136A:

Personal Dog Kennel: A pack or collection of more than 4 dogs, 3 months old or older, owned or kept under single ownership, for private personal use; provided, however, that breeding of personally owned dogs may take place for the purpose of improving, exhibiting or showing the breed or for use in legal sporting activity or for other personal reasons; provided further, that selling, trading, bartering or distributing such breeding from a personal kennel shall be to other breeders or individuals by private sale only and not to wholesalers, brokers or pet shops; provided further, that a personal kennel shall not sell, trade, barter or distribute a dog not bred from its personally-owned dog; and provided further, that dogs temporarily housed at a personal kennel, in conjunction with an animal shelter or rescue registered with the department, may be sold, traded, bartered or distributed if the transfer is not for profit.

Commercial Dog Kennel: "Commercial boarding or training kennel", an establishment used for boarding, holding, day care, overnight stays or training of animals that are not the property of the owner of the establishment, at which such services are rendered in exchange for consideration and in the absence of the owner of any such animal; provided, however, that "commercial boarding or training kennel" shall not include an animal shelter or animal control facility, a pet shop licensed under section 39A of chapter 129, a grooming facility operated solely for the purpose of grooming and not for overnight boarding or an individual who temporarily, and not in the normal course of business, boards or cares for animals owned by others.

2. Zoning Bylaw Section III-A.2 (USE REGULATIONS SCHEDULE), OTHER USES

2.1 Use 53 Dog Kennel – Make the following changes to reflect the new definitions:

- (a) Change the title from Dog Kennel to Personal Dog Kennel
- (b) For CII, change from A to O
- (c) Add use 53A Commercial Dog Kennel
- (d) The regulation schedule in 53A is the same as 53 except that for RG and RS, change from A to O

or take any other action with respect thereto."

ARTICLE 27 Amend Dog Kennel Zoning (George Richards et. al.)

To see if the Town will vote to amend the Town of Natick Zoning By-Laws as follows, including but not limited to:

- 1. Amend Section 200 DEFINITIONS to establish, create, define, and/or recognize multiple methods, arrangements, and/or forms of owning, breeding, boarding, caring for, supervising, kenneling, and/or otherwise maintaining four or more dogs, three or months old, on a single premise; and
- 2. Amend Section III.A.2 USE REGULATIONS SCHEDULE to define i) which zoning district each new or amended definition/use is permitted and ii) whether said use is permitted by right, by special permit or prohibited; and
- 3. Amend any other Section of the Natick Zoning By-Law necessary to regulate these uses;

or otherwise act thereon.

ARTICLE 28 Establish Study Committee: Town of Natick Land Area (Julian Munnich et al.)

To see whether the Town will vote to establish a study committee of Town Meeting, appointed by the Moderator, to address, research, study, analyze, and recommend action regarding: The true gross land area of the Town and its makeup by statutory, regulatory, and ownership components; including but not limited to the total land area zoned for residential, commercial or industrial use as pertains to MGL c.40B §§ 20-23, 760 CMR 56 and/or related guidelines issued by DHCD or any office of the Commonwealth or established in any legal proceeding; and, without limitation:

- 1) To establish the number and/or qualifications of committee members to be appointed;
- 2) To establish the charge of said committee including, but not limited to:
 - o Identify any and all components of the calculation and all individual parcels or acreage owned by the United States; the Commonwealth; or any political subdivision thereof; the Department of Conservation and Recreation or any state public authority; or where all residential, commercial, and industrial development has been prohibited by deed, decree, zoning or restrictive order of the Department of Environmental Protection pursuant to M.G.L. c. 131, § 40A; or is dedicated to conservation or open space whether under control or ownership by trusts, corporations, partnerships, private parties, or elsewise; or is contained in the Subsidized Housing Inventory; and the size of all bodies of water located within Natick;
 - o Gather any other information necessary to analyze, evaluate, and calculate the Town's position relative to sites potentially comprising one and one half per cent or more of the total land area zoned for residential, commercial, or industrial use.
 - Identify and recommend any zoning changes or other actions that might strengthen or improve the Town's position relative to meeting or exceeding any statutory or regulatory tests and criteria;
 - Report its findings and recommendations to 2020 Spring Annual Town Meeting or such other date as Town Meeting shall establish provided, however, that this shall not preclude any preliminary or earlier report(s) to Town boards, committees, commissions, or to Town Meeting;
- 3) To authorize said committee to develop a database of properties to be included in and/or excluded from either the numerator or the denominator of any statutory calculation;
- 4) To provide that said committee shall have access to Town Counsel and to Town staff, including but not limited to the Community and Economic Development, DPW (GIS), and Finance (Assessors) divisions and may utilize the services of outside consultants;
- 5) To provide for a method to engage any such outside consultant or other vendor including, without limitation, a reserve fund transfer by the Finance Committee;
- 6) To see what sum of money the Town will appropriate to accomplish the purpose of said committee;
- 7) To set the term of said study committee to expire upon the dissolution of 2020 Spring Annual Town Meeting or such other date as Town Meeting shall establish unless otherwise extended by Town Meeting;
- 8) Said committee, being a multiple member body under the Town Charter, is authorized to sponsor warrant articles for any Annual or Special Town Meeting Warrant;

or otherwise act thereon.

You are directed to serve this Warrant by causing an attested copy of said Warrant to be posted in the Post Office in said Natick, and at the following public places in said Natick, to wit: Precinct 1, Reliable Cleaners, 214 West Central Street; Precinct 2, Cole Recreation Center, 179 Boden Lane; Precinct 3, Kennedy Middle School, 165 Mill St.; Precinct 4, Lola's, 9 Main Street; Precinct 5, Wilson Middle School, 22 Rutledge Road; Precinct 6, East Natick Fire Station, 2 Rhode Island Avenue; Precinct 7, Lilja Elementary School, 41 Bacon Street; Precinct 8, Natick High School, 15 West Street; Precinct 9: Community-Senior Center, 117 East Central Street and Precinct 10, Memorial Elementary School, 107 Eliot Street.

ATTN. Emergency Waiver Request Commonwealth of Massachusetts Division of Capital Asset Management and Maintenance One Ashburton Place Boston, MA 02108

RE:

EMERGENCY WAIVER REQUEST

TONKA FILTER SYSTEM/TOWN OF NATICK, MASSACHUSETTS

Dear Sir/Madam:

The Town of Natick, Massachusetts, is presently seeking an emergency waiver request from both the bidding requirements of M.G.L. c. 149, §44A(4) and the advertising requirements of M.G.L. c. 149, §44J(6), in conjunction with a necessary filter system replacement in the Tonka filter system in Natick, Massachusetts.

On Tuesday, March 26, 2019, the Town of Natick's Department of Public Works Water and Sewer Division, in the course of routinely monitoring its operations, discovered that the Tonka Water filter system, located at 1080 Worcester Street, Natick had catastrophically failed.

The Tonka filter system is a primary component of the Town's water and sewer system. In fact, approximately sixty percent (60%) of the Town's system flows through the failed system on a daily basis. This amounts to four million four hundred thousand (4,400,000) gallons flowing through the system daily, during peak demands.

The Town had no prior warning of this failure. In fact, the operators monitor the filter output on a daily basis and had not seen any issues, which indicated the filter system was fully operational and free of defects. When two (2) filters cells (out of sixteen (16) total) were taken down for maintenance on March 26, 2019, that is when the underlying problem was discovered.

The Town immediately switched to other wells. However, the taking down of the Tonka Filter system eviscerates the Town's emergency reserves and threatens the Town's ability to provide a sustainable system of a clean water supply Town-wide. All residents, businesses, students, employees, and travelers are at risk if this is not fixed immediately. Moreover, this may also jeopardize vital governmental functions such as fire operations and public education. The Town's very ability to comply with the State Sanitary Code (not to mention other laws) may be at risk.

The Town is seeking a waiver from both the bidding requirements of M.G.L. c. 149, §44A(4) and the advertising requirements found in M.G.L. c. 149, §44J(6) in conjunction with the necessary Tonka Filter system replacement.

The Town has consulted with its engineer, Haley & Ward, and a copy of its determinations stand attached hereto. After preliminary consultation with Haley & Ward, the Town has been advised that these efforts constitute the minimum actions necessary to ensure that continuous safe water supply may be maintained Town-wide. The Town simply cannot wait another two (2) plus weeks for full advertising and bidding to occur pursuant to M.G.L. c. 149, §§44A et seq. prior to ordering materials with lead time and commencing repairs and preparation. Full sealed bidding with advertising would almost certainly ensure shutdown of the well during the warmer, high demand season of May, 2019, assuming that the repairs can begin after full bidding. Full operation will be needed prior to that time to ensure continuous operation at the site.

Assuming that this request is made, the Town will endeavor to forward the specification to several vendors to ensure that it will obtain a competitive price. The Town understands that the cost of the work will be approximately three hundred fifty thousand dollars (\$350,000) to five hundred thousand dollars (\$500,000). The Town lacks the luxury of time to conduct a full sealed bid process in ensuring completion of this work in a timely manner.

The Town acknowledges that it will be required to comply with the prevailing wage requirements mandated by M.G.L. c. 149, secs. 26-27D, as well as all labor and materials payment bond requirements found in M.G.L. c. 149, sec. 29. The Town agrees to enforce all DCAMM contractor certification requirements mandated by M.G.L. c. 149, sec. 44E.

Please do not hesitate to contact me, should you have any questions.

Very truly yours,

Melissa A. Malone Town Administrator

HALEY AND WARD FIELD REPORT

PROJECT:

Tonka Filter Failure Memo

TOWN:

Natick

DATE:

March 26, 2019

ENGINEER:

Gregory Eldridge, Haley and Ward, Inc.

CONTRACTOR:

David of Tonka Water

8:45 am: At site to meet with David and Steve Heffler.

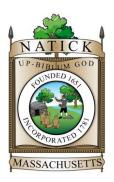

- David filled me in on the issues he uncovered with Filter 2 Cell 3 (F2C3) and Filter 4 Cell 2 (F4C2).
 - O He observed gravel mixed in with the media that the town had removed from the filter to uncover the air wash piping. He indicated this was unusual to see, indicating an issue with the gravel bed.
 - o They removed the underdrain hatch and found media in there. The underdrain is the chamber below the media bed that contains finish water before it leaves the plant. David indicated the only way media can get into that area is if the gravel bed was disturbed and channeling occurred up through the bed.
 - O David thought the only way this could happen if there was a large amount of air that entered the bottom of the filter through the underdrain and pushed it's way up through the nozzles and through the gravel bed and media bed.
- We decided to check the underdrains of the remaining 14 cells. We did this by opening the 1" drain valve. All remaining cells except F1C4, possibly F1C3, had media and gravel come out through that 1" drain pipe.
 - O According to David, that is an indication that all of those cells have tunneling, like F2C3 & F4C2 and will require full media and gravel replacement.
 - David confirmed this with his office.
- At this point we requested that Tonka answer the following 3 questions and also get quotes for materials and installation.
 - 1. How did the media get into the air was laterals?
 - 2. How did the media and gravel get in to the underdrain cavity?
 - 3. How did the gravel get mixed in with the media and vice versa?

Recommendation

- Our recommendation is based on the recommendation from the filter manufacturer, Tonka.
 - O Tonka has indicated all cells in the 4 filters show signs of gravel bed disturbance that has allowed greensand to enter the underdrain portion of the filters.
 - Reason why this happen has not been confirmed by Haley and Ward or Tonka.
 - Tonka engineers are reviewing the information and will provide feedback on the matter.
 - o The Tonka Technician has indicated that the problem occurred recently, possibly within the last month or so.
 - His reasoning is that when the greensand enters the underdrain it will be carried out into the water distribution system and water customers would eventually see it in their water.

HALEY AND WARD FIELD REPORT

- It is our understanding that the town has not received such complaints, which, if the technician is correct, that the failure was recently, the Town should start receiving complaints soon.
- We recommend the filters be shutdown until it can be determined the extent of the media that is entering the water system.
 - o Before they are shut, down we recommend conducting a test to determine the quantity of media that is entering the water distribution system.
 - o We will work with the Town to complete the required testing for this.
- As recommend by Tonka, we recommend that the media and gravel be removed and replaced in all 16 cells as soon as possible.
 - o This work will require a minimum of 1-2 weeks per filter to remove media, gravel, and air piping and install new media, gravel and air piping. A minimum of 1-week to charge the media and disinfect. A minimum of 1-week to sample and analyzed for coliform bacteria before the filter can be placed into service.
 - o Projecting the work for all filters, it may take approximately 6-8 weeks, if multiple filters can be worked on at the same time, to complete the entire project.
 - In addition, the greensand media has a lead time for manufacturing and delivery.
 We recommend placing that order as soon as possible to avoid delays in the filter repairs.
- Natick relies on the Tonka filters to filter and discharge approximately 60 percent of water demand, to the water distribution system.
 - o Tonka has indicated that media may be entering the water system and will enter houses.
 - o If the filters are out of service during the high demand season, typically starting in Mid-May, they will not be able to meet system demand and public safety will be negatively impacted and water quality will be a concern.
- It is worth noting that no media replacement should proceed until Tonka confirms the cause of the issue, to prevent the same occurrence, if it was equipment or materials failure.

RE: Tonka Pressure Filters at Springvale Water Treatment Facility

As requested this a brief description of the current situation, proposed solution, and costs to repair the issue that has arisen with the Tonka Pressure filters.

During a scheduled routine inspection of the Tonka Pressure filters conducted on March 26, 2019 it was noted by a Tonka technician, that the gravel bed portion of the filter media has shifted. This shift is allowing small amounts of filter media to migrate out of the filters. This situation has the potential to cause more complex issues in the distribution system and eventually poor filter performance.

The solution to fix this issue is to remove the existing filter media and gravel beds, then reinstall the filter media and gravel beds to original factory specs. Once all media is replaced the filters need to be conditioned and restarted.

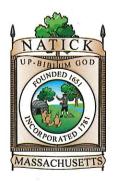

Timing is very critical to this situation, as the filter refurbishment project will require two filters to remain active to allow conditioning of the other filters. Once we place the order for materials, it is a 3-4 week anticipated delivery time. While we are waiting for material delivery we will have the media removed from two of the four filters. Once the media is on site it will take 2-3 weeks to install the media and filter internals in the first two filters. Finally, it will take 1-2 weeks to condition and start up the two repacked filters. Following this schedule, we anticipate to have all four filters back online by the end of May or early June.

The anticipated cost to purchase the filter media and labor to install and startup the filters is \$625,000.

Page 2 April 1, 2019 Tonka Pressure Filters

The filter refurbishment project will require two filters to remain online, treating water as designed. This will assist in meeting demand. The Water Division will continue to meet system water demand through a combination of the second (H&T) filter facility at the Springvale Water site and the treatment facility at Elm Bank. We will pay close attention to the system water demand during the filter project. If demand out paces production, we will request a Water Use Restriction through the BOS and Town Administrator, to reduce water usage.

While this is an unexpected cost and burden, The Water Division does complete preventative maintenance and conducts routine inspections to help prevent or anticipate issues. The water distribution and treatment system is large, complex, operates 24/7/365, and only a small portion is visible for inspections.

Re: South Main Street – 50% Design Engineer's Estimate

Date: April 1, 2019

Proposed improvements to South Main Street have been presented to the residents of the street, the Board of Selectmen, and Public Works personnel. The proposed construction items, which include surface and drainage improvements, as well as universal accessibility and bicycle accommodations, are needed to provide safe, predictable and commodious travel on this important and well-traveled arterial collector roadway.

The design consultant, Green International Affiliates, Inc., has prepared an estimate for construction of the proposed roadway based on their 50% design plans. The estimate is currently \$ 4,031,979.20. The engineer adds a 10% contingency (\$403,198.00), for a total of \$ 4,435,177.20. This is currently in excess of the \$3.5M being requested for construction as part of Article 15 of the Warrant for Spring Annual Town Meeting.

It is noted that the increase from the initial estimate for construction costs, which was proposed without the benefit of engineering design work, is 15% over the original. Inclusion of a contingency, which is standard practice for design plans and estimates, raises the increase to about 27%. It is not felt that this increase is excessive, however, it is inconsistent with original expectations.

The Department is currently working with Green to reduce costs and to achieve all of the desired improvements currently included and considered necessary in the design. At this time, the Department does not see a way to sufficiently reduce the probable cost of construction without significantly affecting the level of improvements or the longevity of the finished product.

Green International is on pace to complete the design work in late June. Given advertising and bidding requirements in accordance with Massachusetts Procurement law, bids would be received in late July/early August. Award of contract would occur in early to mid-September. This is not an ideal time to solicit bids, nor is it an ideal time to begin a major multi-season construction contract.

Page 2 South Main Street 50% Design Estimate April 1, 2019

Given these timing constraints, and given that, as designed, this project is currently expected to cost substantially more than is being sought at Town Meeting, the Engineering Division is recommending that this portion of the Article be removed from consideration and postponed until the next available opportunity for appropriation of funding. It is anticipated that this will occur at the Fall Town Meeting of 2019. At that time the design will have proceeded to 100% design with plans specifications and engineer's estimate for the completed job.

Amend Definition of "Dog Kennel" as Used in the Zoning Bylaws

The Threat to Our Homes

VVOULD YOU CONSIDER RENTING OUT YOUR YARD FOR DOG PLAYGROUPS?

1/4 Acre next door to your home

Hello!

We came to speak with you in person today, but you were not home so we are leaving you with this bit of food for thought! Our names are and we are looking to rent private unused space where we can host dog playgroups. Woodsy areas are completely fine. We typically pay \$800 \$1,500 Month.

Dog waste is an environmental pollutant.

Health

Excerpts:

In 1991, dog waste was labeled a non-point source pollutant by the Environmental Protection Agency (EPA), placing it in the same category as herbicides and insecticides; oil, grease and toxic chemicals; and acid drainage from abandoned mines.

Decrease in Property Value

It has been estimated that a single gram of dog waste can contain 23 million fecal coliform bacteria, which are known to cause cramps, diarrhea, intestinal illness, and serious kidney disorders in humans.

I received your letter regarding the current value of your property. I know you are concerned about the application to allow a drop off/pick up style day time dog care business.

It is my opinion that this proposed commercial use in a residential neighborhood would have a negative effect on the property values in the immediate neighborhood. My estimate is that it would decrease the value of your home at the minimum of ten percent. On your specific property, this would be over \$100,000.00. The closer your home is to the dog care property, the more your value would decrease up to approximately twenty percent.

Impact of a commercial kennel on intent of the bylaw The primary intent of the bylaw is to protect the residents

Section 100 Bylaw	Impact of Commercial Kennel
Improve and beautify the town	Dogs congregating and creating noise and the waste from 450 dogs per week does not beautify a town.
Preserving health	Dog waste is an environmental pollutant
Neighborhood character	Noise, smell, contamination, traffic changes the neighborhood character.
Protect real estate from damaging uses of adjacent property	A letter from Ken Barber of William Raveis real estate in Natick has provided a letter that states in his professional opinion, property values on Eliot Hill Rd go down between 10% - 20%.
Fiscal impact on town	Reduced property values equals reduced tax revenue
A special permit requires full compliance with the bylaws	One non-compliance is enough to deny a permit.
Protect the welfare of townspeople	Imposing a commercial dog kennel in a residential district imposes the above hardships on the neighbors. The bylaw is intended to protect the residents from that.

Purpose of Warrant Article 26

Warrant Article 26 clarifies the bylaw by replacing the definition of a Dog Kennel with two Massachusetts definitions: Personal Dog Kennel and Commercial Dog Kennel.

This change provides protection from a commercial dog kennel being located next door to a home in a residential district.

Significant text of the three definitions

SUMMARY

By using the definitions of Personal Dog Kennel and Commercial Dog Kennel:

- •The bylaws are more specific and easier for the applicants and residents to understand
- •The threat of property value reduction, environmental pollution, smell, noise, traffic, neighborhood character change, etc. next door to your home is eliminated.

Dog waste is an environmental pollutant.

We came to speak with you in person today, but you were not home so we are leaving you with this bit of food for thought! Our names are Elizabeth Geisinger and Marissa Nomakeo and we are looking to rent private unused space where we can host dog playgroups. Woodsy areas are completely fine. We typically pay \$800 \$1,500 Month.

We realize this is a unique request but we hope you will call so that we an answer any questions you might have! Please find a little more information about what we are proposing below.

- We operate between 8:30AM and 3PM Monday through Friday (never on weekends)
- Our company cars will transport dogs to and from the property; no pet owners will be given the address of your property nor allowed on the premises.
- Dogs will be contained at all times within the fenced-in area we will create (this will include a fenced-in
 parking area). Fencing will be of temporary construction and easily taken down if and when our arrangement
 is ended
- All dog waste will be cleaned immediately.
- Doggy Dates is fully bonded and insured.
- We would open to any suggestions or conditions you wish to propose. We would be grateful for the
 opportunity to use your space and will respect whatever guidelines you deem necessary.
- Also feel free to look us up on Facebook so you can have a better idea of our operation. We have been in
 operation for over 5 years and pride ourselves on the strong relationships we have built with our customers
 and our landlords. Please feel free to ask us any questions you may have, and thank you again for
 considering our proposal! Thank you for your time and we look forward to speaking with you!

-Elizabeth Geisinger CEO, Doggy Dates, LLC & Marissa Nomakeo COO Doggy Dates, LLC

My name is Elizabeth Geisinger and I am the owner and CEO of local dog service company "Doggy Dates". We currently service over 100 of your fellow Natick residents, and hundreds of others in the communities beyond. We currently have a permitted fully outdoor play space at 42 Leach Lane, Natick, but are looking for more space in Natick to accommodate our growing clientele.

We are very interested in purchasing the property at 185 Eliot St. Before we determine how or if to pursue this property, however, we wanted to get the thoughts of the neighbors, and answer any questions you may have regarding our plans for the property. It is our goal to maintain a peaceful existence in the neighborhood, and are hoping the neighbors themselves will help guide us in this endeavor.

In order to facilitate this, we are hosting an informational, question and answer session at Lookout Farm on Wednesday, March 13th at 7pm. We welcome all neighbors with interest in this topic to join us.

Before our meeting, we just wanted to give you a little background on just what we are looking to do on the property. Doggy Dates is a unique business concept, and offers a different model of doggy daycare than what most are accustomed to, namely:

- Sessions are ONLY 45 minutes in length; no dog or human will remain on the property for longer than this duration
- · We do not leave any dogs unattended on the property
- We do not house dogs overnight on the property
- All dogs are brought in using our company vehicles (Toyota Scion XBs and Siennas) and NO customers are allowed on the property
- We will only use the property Monday through Friday between the hours of 8:30 AM and 4PM; no dogs will be on the property after hours or on weekends
- Dogs are always monitored by on-site staff, and sound control measures are taken to ensure they do not pose a disturbance to neighbors
- No building structures besides fencing will be constructed

We look forward to meeting you!

Jemma

I'm sorry to do this to you again, but I'm going to have to resign as a member of the CSAC, effective immediately. I've just today been offered a job at Walnut Hill School, (where I've been working part time for several months as a driver) to manage their mailroom and supply functions. It's 30 hrs a week Mon thru Fri, which eliminates my ability to do any committee work during the day.

I feel bad about the timing, but the next committee meeting is not for a few more weeks and I'll need to start training in the new job responsibilities before then. I stopped by the Community Center this morning to see if I could tell you in person, but you were busy, and I wanted to let you know right away. I did see Jack and told him also that I would not be able to drive on Thursdays after a couple more weeks.

Jim

Natick Executive Assistant Trish O'Neil 13 East Central Street Natick, MA 01760

March 19, 2019

Dear Dear Executive Assistant Trish O'Neil,

On 6/21/2019, 200 cyclists will travel through your town on their way from Boston, MA to Greenwich, CT in the 17th Annual ALS Therapy Development Institute (ALS TDI) Tri-State Trek. The Tri-State Trek raises funds and spreads awareness of the work ALS TDI is doing to find an effective treatment and cure for a horrific disease. Every 90 minutes, someone is diagnosed with ALS, also known as Lou Gehrig's disease or Motor Neuron Disease (MND). It is a progressive, neurodegenerative disease that causes muscle weakness, difficulty breathing and swallowing, and paralysis while leaving the senses intact. Currently there is no effective treatment or cure.

ALS TDI is the world's first and largest nonprofit biotech focused 100 percent on ALS research. Led by people with ALS and drug development experts, we understand the urgent need to slow and stop this disease. You can learn more at www.als.net.

Enclosed is a proposed route with the specific date that we plan to be in your location. Please forward this along to the proper channels. If applicable, we have indicated any rest areas that we are planning to stop at in your town. We have a comprehensive insurance policy for the event that recognizes your town as additionally insured under ALS TDI's insurance. The necessary insurance certificate is attached. You can return these forms via email, fax, or mail addressed to my contact information below.

Thank you so much for your time. If you have any questions or concerns, please contact me.

Best regards,

Ben Engle

Trish,

Upon review, and consistent with past years, we would recommend approval of this request. No special police services are required as we monitor the lone intersection involved with on-duty personnel and the participants usually pass through in a quick burst with one or two packs of cyclists.

Respectfully submitted,

Lt. Brian G. Lauzon [Quoted text hidden]

### Memorandum

To: Natick Board of Selectmen

CC: Melissa Malone, Town Administrator

William Chenard, Deputy Town Administrator, Operations

Lt. Brian Lauzon, Public Safety Officer

From: Jillian Wilson Martin, Sustainability Coordinator

Date: March 27, 2019

Subject: Request Closure of Common St for Earth Day Festival

In fall 2018, the Board of Selectmen approved Patrick Conaway's request for the use of the Natick Town Common for the annual Earth Day Festival on Sunday, April 28, 2019. The festival is now being managed by a new team of volunteers, in collaboration with Jillian Wilson Martin, Natick's Sustainability Coordinator, and the Natick Center Cultural District.

We appreciate your approval for the use of the Common and are reaching out today to request the closure of Common St for the event. A number of new activities are planned for the festival, including free planetarium shows that will be hosted in the sanctuary of the Common Street Spiritual Center, which we anticipate will result in additional pedestrian traffic across Common Street. We are also hoping to host a higher number of vendors than in years past. As such, we believe it would be beneficial to close Common Street in conjunction with the festival, and request its closure from 9:00 am to 4:00 pm on April 28, 2019. All abutting businesses will be contacted with this request.

Lt. Lauzon has been consulted and given his approval of this request.

Thank you for your consideration.

Trish,

After review and discussion with Jillian we would recommend approval. We request that the street be barricaded closed at both South Main Street and School Street. Even though Common Street is a one-way street we have seen motorists during events that Common Street has been closed making a left turn from School Street onto Common Street heading in the wrong direction. By closing the roadway at School Street we expect that this will not reoccur.
